Student Systems

- Provide reporting to identify students affected
- Provide reporting to identify discontinued units
- Provide reporting to identify exam registers

Faculty

- Identify students at risk
- Monitor the students’ progress:
  - Create study plans (if applicable)
  - Identify options to replace discontinued units
    - at UWA
    - at other institutions
  - Monitor enrolments:
    - each semester
    - after census date
    - for approved leave
  - Monitor exam registers
  - Identify alternative exit points in courses
- Counsel students regarding suitability of course - is it right for them?

Student Administration

- Engage in documented communication with student (via ‘AskUWA’)
- ESOS Act compliance checks
